A resident asked a question regarding Eldene Centre – The Crumpled Horn, Chairman Kevin Parry advised that the Crumpled Horn and toilets are a listed building and privately owned.

The resident stated that the rest of the area is not maintained, in particular the caged area next to the community centre, Chairman Kevin Parry advised it was sold as a community garden and handed over to the community centre which they are not maintaining and is being used as a second entrance into the hall.

A resident asked can we get responsibility for the area to be kept up and maintained, unfortunately Chairman Kevin Parry advised that these issues can be fed back to Swindon Borough and the Parish depending on the concerns and issues raised.

A resident asked who owns the old medical centre Cllr Zachary Hawson advised its owned by the local NHS which would include the carpark.

Another resident raised a question regarding the bin collections, Chairman Kevin Parry advised the resident email Chris Watts the cabinet member.

A question was raised regarding Coate water mini golf – Chairman Kevin Parry advised the question would need to be directed to Cllr Mike Davies who is a Borough Councillor and would be able to investigate this.

A question was raised on the works Probation Services provide for NEL PC in relation to agenda item 12. Chairman Kevin Parry advised that probation services provide work for the parish such as scraping the weeds and widening of paths – The resident asked why weed suppression was not included in the tender document for works to commence from the 1st of April 2024 contract. Chairman Kevin Parry advised that agenda Item 12 is only a contribution. The resident asked was it part of the takeover in 2017, Kevin Parry advised we clean the pavements however the Borough removed the weed spraying services and the probation services would provide a manual version of these services for free. The weed spraying option was removed to give a lower precept to the residents. Chairman Kevin Parry answered the question asked by the resident regarding the £5,000 for the weed suppression. He confirmed that this was removed from the contractual works to

commence on the 1st of April 2024 had also been removed from the budget and is not included in the requested precept amount.

911 Probation Services

The Council discussed a contribution to cover tools, and PPE to support the probation services, the contribution is asked for sites that probation services visit 26 or more times a year, if the donation is agreed the probation services will provide NEL PC with a list of equipment needed or arrange for the supplier to liaise with NEL PC and invoice us directly. The work that probation services complete has not and is not part of a paid contract. Weeding and widening paths and block paved areas has been left for many years there is no budget to pay for these services. Residents have asked/complained about this work to be done. The Council unanimously agreed to donate £1300, The £1300 donation of tools annually starting from April 2024 is a donation agreed by the Parish Council and is not dependant on Community Payback working the project.
